## Bubbles babble

Bubbles babble  
And streams bubble and babble.  
People babble and floats bobble  
But nothing bibbles or bebbles or bables does it?  
Waters puddle  
And people piddle peddle puddle and paddle  
And sometimes they poddle  
But they don't poodle ...do they?  
They do doodle  
And wrangle and wangle get into a tangle  
And they wither and dither, go hither and thither  
And mothers myther and feythers feyther  
And folk haggle and tails waggle  
Lines straggle and geese gaggle  
Worms wiggle and girls giggle  
Oh and poets prattle  
But they don't prettle  
Or prittle  
Or pruttle  
Or prytle....do they?  
Oh and they never ever waffle
